LEAVE ENCASHMENT IAF OFFICERS

INTRODUCTIONS

1. Leave encashment of non-effective officers was regulated as per AFO 1/88, DACL 30/87 and DACL 22/91. With a view to bring the entire gamut of LE under one agency and also to reduce the procedural delays involved and to effect LE payment by opening a Leave Encashment Cell (LEC) at AFCAO, DACL 13/97 dated 20 Jun 97 was issued formulating payment procedure for Leave Encashment on retirement and further DACL 10/99 was issued formulating procedure for sanction of LE since it was not covered in the DACL 13/97.

2. To overcome the difficulties faced by certain agencies, the Leave Encashment payment procedure is further modified in this DACL.

FORMATION OF LEC AT AFCAO

3. A Leave Encashment Cell (LEC) has already been established at AFCAO at OPW for maintaining year wise annual leave annual accumulation records of Officers and processing the leave encashment claims on retirement.

LEAVE RECORDS

4. The leave records with regard to leave encashment in respect of all Officers have been transferred by Dte of PO to LEC formed at AFCAO. The responsibility of processing and controlling various kinds of leave will continue to rest with Dte of PO even after implementation of this procedure.

ACTION AT UNIT

5. **ANNUAL LEAVE ACCUMULATION POR:** The Unit Adjutant will promulgate a POR during march every year for the number of days leave availed and accumulated for encashment during previous year as “authorized to carry forward accumulated annual leave for the year” As per appendix ‘A’ to this DACL. Even in case where full Annual leave of the year has been availed by the officer, the Annual accumulation POR must be promulgated showing NIL days of leave accumulation and the full details of leave availed. A copy of this POR will be dispatched to LEC of AFCAO.

LEAVE ENCASHMENT ON SUPERANNUATION

6. **LE UPTO PENULTIMATE YEAR:** Where an Officer has already accumulated the maximum permissible number of days of leave for encashment in the penultimate year itself or prior to that, the LE authorisation POR can be promulgated by the Unit four months prior to the date of superannuation after verification of the same from the audited LE figure received from LEC of AFCAO. The officer will submit an application as per appendix ‘D’ to this DACL to the Adjutant. The Leave Granting Authority will there after sanction the leave encashment. The LGA’s

sanction (Part III and IV of the application) along with POR for authorisation of leave encashment payment will thereafter be forwarded to LEC at AFCAO three months prior to date of retirement.

7. For superannuation cases where the officer has not yet accumulated the maximum permissible number of days of leave for encashment in the penultimate year and the date of discharge is not in the first two months of the following year, following actions will be taken by the Adjutant :-

(a) Adjutant will publish the A/L accumulation POR in the month of Dec of the penultimate year for the number of days of Annual leave accumulated and encashed for the penultimate year of NE of the year in which the officer will be proceeding on superannuation.

(b) On receipt of the cumulative total of the audited LE figure for the service upto December of the year prior to the penultimate year of service of the officer from LEC of AFCAO, an application for encashment of accumulated service leave upto the penultimate year is to be submitted by the officer as per appendix 'D' to this DACL. The application duly verified by the Adjutant will be sanctioned by the Leave Granting Authority. Thereafter, the Adjutant will promulgate a POR authorising the encashment upto 31 Dec of the such penultimate year. Adjutant will forward the A/L accumulation POR, LE payment POR and the part III and Part IV of the application (where sanction has been accorded by LGA) to AFCAO at least three months prior the date of retirement of the Officer.

8. SUPERANNUATION DURING JAN AND FEB : In the case of an officer superannuating during Jan and Feb of a year, the unit Adjutant will obtain a certificate as per appendix 'B' to this DACL from the Officer in the first week of Nov of the penultimate year of Officer becoming NE stating that he will not avail of any annual leave during Nov and Dec of that year. Adjutant will also inform him about the resultant delay in payment of LE dues on availing of any leave thereafter affecting leave encashment. Consequently, an A/L accumulation POR for the number of days of accumulation in the penultimate year of becoming NE will be promulgated in the first week of Nov of such year. Thereafter the LE application and sanction procedure is to be completed. A/L accumulation POR, LE payment POR, along with the Part III and IV of appendix 'D' to this DACL will be forwarded to LEC of AFCAO. The unit

Adjutant will intimate in the first week of Jan of the year of NE, LEC of AFCAO through a signal whether or not any change in the status of LE C/F figure of the penultimate year of NE has occurred during Nov and Dec of the penultimate year.

9. **NE POR INTIMATION:** Adjutant will send intimation through an Op immediate signal to AFCAO about promulgation of NE POR on the first day of retirement of the officer.

10. **LE FOR THE YEAR OF NE :** For the leave encashment of the year of NE the Officer is to submit on the last day of his service a fresh application as per appendix 'E' to this DACL for encashment of balance of accumulated leave, which after verification will be sanctioned by the LGA of the retiring unit. Thereafter Adjutant will promulgate the A/L accumulation POR and LE payment POR within 48hrs of NE date and forward alongwith Appendix 'G' to O i/c OPS III of AFCAO. The Officer is to endorse the address where he desires the payment to be sent after NE date.

11. **LE FOR OTHER THAN SUPERANNUATION CASES:** For premature retirement cases or cases other than superannuation the A/L accumulation POR, if any, Part III and IV of appendix 'F' and LE payment POR are to be forwarded to AFCAO within two days of NE date of Officer by the Adjutant.

ACTION OF LEC

12. The LEC shall maintain the LE cards as per appendix 'C' to this DACL for each officer. This LE card will be documented with the details of accumulated annual leave standing to the credit of the officer based on the A/L accumulation POR received from the parent unit and the leave records maintained by LEC at AFCAO.

13. The LE card is subjected to audit by Dy CDA (AF) Subroto Park. The audited cumulative total figure of the number of days accumulated upto 31 Dec of the year prior to the penultimate year of service will be intimated to the parent unit of the officer by the LEC of AFCAO for promulgation of the LE authorisation POR, at least 04 months prior to the date of retirement. On receipt of the LE authorisation POR, the same will be actioned in the LE card, amount credited in IRLA and passed to audit. The payment of the LE amount upto the penultimate year will be released after the NE date only after completion of action on C/F POR and LE authorisation POR and audit verification. The payment will be effected after adjusting all public fund dues/long term advances and retaining 10% as reserve in IRLA towards unforeseen liabilities. Balance amount of LE will be released alongwith final IRLA balance.

14. The LEC will ensure that by 31 Oct every year, all officers are informed about the details of total leave accumulated for encashment by each officer as per IRLA/LEC upto 31 Dec of previous year through (F) 1517.

AFGIS DUES

15. AFGIS will intimate the dues if any outstanding against the officer proceeding on superannuation/ retirement two months prior to the date of retirement to AFCAO.

ACTION BY DY CDA (AF)

16. The Dy CDA(AF) will verify the credit of LE in IRLA with reference to the figure of the accumulated LE as per the LE card and the LE authorisation POR. The accumulated leave for encashment upto 31 Dec of the year immediately preceding the NE date of the officer will be audited two months prior to the date of retirement and LE card/IRLA duly endorsed with audit remarks will be returned to LEC of AFCAO within 10 working days of submission to audit.

17. The LE for the last year of the service will be audited and passed for payment in due course, after the NE date.

18. In the case of IAF Officers seconded from Army/Navy the LE card for the period of secondment will be audited with reference to the figure intimated by CDA(O) Pune/CDA Mumbai. Similarly, in the case of Army/Navy officers seconded from the IAF, the LE card will be audited on their secondment, the number of days of leave accumulated during the service in IAF will be intimated by AFCAO through Dy CDA (AF) to CDA(O), Pune and CDA(Naval) Mumbai as the case may be.

19. The authority competent to grant leave as per DS(I) LR shall suo-moto, issue orders granting cash equivalent of leave at credit.

20. The AFO 1/88 and other relevant orders will be amended in due course.

22. This procedure will be followed in all cases of superannuation with effect from 31 Dec 2001.

23. This is issued with concurrence of CDA (AF) vide their letter No. Pay/Tech/1/V CPC/LE dated 12 Jul 2001.
