## **FORWORD**

1. A handbook on Pensionary Benefits for Officers was last published by the Directorate of Pay, Pension and Regulations, Air Headquarters in 1989. Implementation of the Government decision on the recommendations of the Fifth Central Pay Commission regarding pensionary benefits necessitated revision of the Handbook.
  
2. The revised Handbook contains condensed information on entitlement of different types of pension and gratuity. The procedure for sanction and disbursement of pension has also been covered. Apart from pension and gratuity there are other post-retirement benefits, both from public as well as non-public funds.
  
3. It is hoped that the Handbook will be of great use to retiring officers and will make the transition from active service life to the status of a retired senior citizen smooth and pleasant.
