**INSTRUCTIONS FOR THE MEASUREMENTS AND CORRECT FITTING OF FOOT WEAR AND UNIFORMS**

1. Proper care & interest should be taken to fill in the Performa for all the measurements. The entries should be legible and overwriting avoided to oblivate any confusion.

**FOOT WEAR**

2. Proper fitting of boots and shoes is a matter of the first importance. Malformations of the feet are primarily caused by ill-fitting foot-wear. Therefore great care must be taken while giving the measurements.

3. The sizes and fitting are marked on the inside / on the sole / outer scales of the boots and shoes. The correct size and fitting should be ascertained by accurate measurement and reference as per the Performa from authorised outlets of the particulars brands only.

**UNIFORMS**

4. The breast, waist, inside leg and seat measurements as per figure-1, figure-2 & figure-3 are to be ascertained by means of a standard measuring tape from an experienced tailor.

5. While giving the measurements, tailor is to be intimated regarding the uniform for which the measurements are being taken.

6. Details of any peculiarity in shape or build are to be recorded separately and attached with this Performa.

7. The individuals will be responsible for any ill-fitting arising from errors in measurement, if the uniforms stitched as per the measurements given in the Performa.
