CHAPTER 1

INTRODUCTION

1.1. Please throw light on the background of this Handbook (Right to Information Act, 2005).

This handbook is prepared in compliance with section 4 (1) (b) of RTI Act 2005.

1.2. Objective / purpose of this hand-book:

This handbook is meant to provide General information to the public about the organisation and functions of Air Headquarters.

1.3. Who are the intended users of this handbook?:

General public including the service personnel.

1.4. Organisation of the information in this hand-book

The information is organised under 17 chapters as provided in the Act. Since Air Headquarters comprises of six branches namely VCAS, DCAS, AOM, AOP, AOA and DG (I&S) under the CAS, the information is also organised branch wise.

1.5. Definitions (Please provide definitions of various terms used in the handbook).

The definition of various terms, abbreviations and acronyms pertaining to Air Force are placed at Appendix ‘A’ to this handbook.

1.6. Contact person in case some body wants to get more information on topics covered in the handbook as well as other information also.

   CPIO/ CAPIO or Dte of PS

1.7. Procedure and Fee Structure for getting information not available in the handbook.

   A bonafide citizen of India can seek information which has not been provided in the handbook by making an application to the Central Public Information Officer, Dte of PS, Air Headquarters (Vayu Bhawan), New Delhi-110 106. The fee structure for the same is as provided for in the RTI Act, 2005 & the Rules made thereunder.
CHAPTER 2

PARTICULARS OF ORGANISATION, FUNCTIONS AND DUTIES

2.1. Objective/purpose of the public authority

(a) The Primary Objective / purpose of IAF is to defend the nation and its airspace against Air threats in coordination with Army and Navy. The secondary purpose is to assist civil power during natural calamities and internal disturbances.

(b) The objective/ purpose of Air HQ is to ensure efficient and effective functioning of the IAF as a whole.

2.2. Mission/Vision Statement of the public authority

To maintain high operational preparedness for defence of the Indian airspace

2.3. Brief history of the public authority and context of its formation

The Indian Air Force was officially established on 8 October 1932. Its first ac flight came into being on 01 Apr 1933. It possessed a strength of six RAF -trained officers and 19 Havai Sepoys or air soldiers. Over these years, no less than twenty new aircraft types and sub-types entered the IAF’s service including various strike fighters, third-generation supersonic interceptors, tri-sonic reconnaissance aircraft, strategic heavy lift transports, medium tactical transports, light transport aircraft, heavy lift and medium-assault helicopters, basic trainers, surface-to-air missiles and an array of sophisticated weaponry propelling the IAF, or ‘Bharatiya Vayu Sena’, into one of the world's best equipped air arms.

2.4. Duties of the public authority:

Air HQ has different PSOs assisting CAS in various functions. Duties of their branches are Attached as Appendix ‘B’

2.5. Main functions of the public authority

(a) The main function of Air HQ is to ensure smooth functioning of the IAF as a whole and work at a conceptual level.

(b) To achieve this objective, this HQ formulates, issues and reviews policies on various matters pertaining to the functioning of the IAF and exercises command and control through seven Command HQ viz. WAC, SWAC, CAC, EAC, SAC, TC and MC.
(c) Air HQ also interacts and liaises with Min of Defence Integrated Defence Services HQ and also other two sister services of Army & Navy.

2.6. List of services being provided by the public authority with a brief write-up on them.

Except for its primary and secondary functions as mentioned above, no services are provided to the public

2.7. Organisational Structure Diagram at various levels namely State, directorate, region, district, block etc (whichever is applicable):

Attached as Appendix ‘C’.

2.8. Expectation of the public authority from the public for enhancing its effectiveness and efficiency:

Nil

2.9. Arrangements and methods made for seeking public participation/ contribution.

Not applicable since the policies of IAF pertain to only service personnel and are not concerned with or affecting the public.

2.10. Mechanism available for monitoring the service delivery and public grievance resolution.

Not applicable since the policies of IAF pertain to only service personnel and are not concerned with or affecting the public.

2.11. Address/ Addresses of the main office and other officers at different levels.

Attached as Appendix ‘D’

2.12. Working hours

The working hours of all Branches/ Directorates of Air HQ is as follows except for the Ops Room which is manned 24 Hrs a day 7 days a week:-

Morning hours of the office: 0900 to 1300 hrs & 1345 to 1730 hrs
Closing hours of the office: 1730 to 0900 hrs (Next day) & 1300-1345 hrs (Lunch break)
CHAPTER 3
POWERS AND DUTIES OF OFFICERS AND EMPLOYEES

1. Details of duties have been given in Appendix ‘B’ to this Hand Book.

2. Powers of CAS and other PSOs at Air HQ are given as follows:

CHAPTER 9

PROCEDURE FOLLOWED IN DECISION MAKING PROCESS

9.1. What is the procedure followed to take a decision for various matters?

(a) In all matters, notes are put up on file in the following chain of hierarchy depending on the organizational set up for decision.

Dy Directors/ Jt Directors  Director/ PD  ACAS  Concerned PSO*.

(b) In policy matters, the decision of CAS would be obtained through PSO. In certain cases concurrence of MoD is also obtained.

9.2. What are the documented procedures/ laid down procedures/ Defined Criteria/ Rules to arrive at a particular decision for important matters? What are different levels through which a decision process moves?

Same as in para 9.1

9.3. What are the arrangements to communicate the decision to the public?

Wherever applicable, letter(s) communicating the decision would be sent directly to the concerned persons by concerned officers.

9.4. Who are the officers at various levels whose opinions are sought for the process of decision making?

Same as in para 9.1

9.5. Who is the final authority that vetts the decision?

(a) In policy matters: CAS
(b) In other matters: Concerned PSO

9.6. Please provide information separately in the following format for the important matters on which the decision is taken by the public authority.

As mentioned above

Contact information of above mentioned officers

As given in Directory

If not satisfied by the decision, where and how to appeal.

Not Applicable
CHAPTER 10

DIRECTORY OF OFFICERS AND EMPLOYEE

Air HQ being a sensitive Organisation, the details of Officers and other employees employed at this HQ are considered to be sensitive information which if falls in the hands of anti-national elements may jeopardize the security of the nation. Therefore the directory of officers and employees are not published in this handbook in the interest of the security of the nation. However, relevant details can be made available to a genuine citizen of India with bonafide interest on a case to case basis in accordance with the RTI Act, 2005.
CHAPTER 11

THE MONTHLY REMUNERATION RECEIVED BY EACH OF ITS OFFICERS AND EMPLOYEES, INCLUDING THE SYSTEM OF COMPENSATION AS PROVIDED IN REGULATIONS

Air Force Central Accounts Office (AFCAO) maintains the records pertaining to monthly remunerations of all employees of IAF. The records are variable, huge and sensitive in nature. Therefore it will not be feasible to catalogue and index such individual records of pay and allowances. However, any information requested by public in any particular case can be provided by AFCAO as per records.
CHAPTER 12

THE BUDGET ALLOCATED TO EACH AGENCY
(PARTICULARS OF ALL PLANS, PROPOSED EXPENDITURES AND
REPORTS ON DISBURSEMENT MADE)

For Public Authorities responsible for developmental, construction, technical works

1. Not applicable since no developmental, construction, technical works concerning public are undertaken by IAF.

2. However, information related to infrastructure development and technical works pertaining to the IAF, can be provided on a request submitted under RTI Act, subject to the provisions of Section 8 of the Act.
CHAPTER - 13

THE MANNER OF EXECUTION OF SUBSIDY PROGRAMMES

Not Applicable since no subsidy programmes are undertaken in IAF.
CHAPTER -14

PARTICULARS OF RECIPIENTS OF CONCESSIONS, PERMITS OR AUTHORIZATION GRANTED BY IT

Not applicable since there are no concessions, permits or authorizations granted to the public by IAF.
CHAPTER 15

NORMS SET BY IT FOR THE DISCHARGE OF ITS FUNCTIONS

Highest possible norms and standards are set for execution. However, Restricted and S & C classified information on the types and nature and specifics of projects cannot be provided. However, the unclassified information is available on MoD website.
1. All rules and Regulations governing administration of airforce viz, Air Force Act, 1950, Air Force Rules, 1969, Regulations for the Air Force, 1964 (Revised) and all current policy letters/ AFOs/ and IAPs are available in electronic form with concerned Directorates as well as on the IAF website: ‘www.iaf.nic.in’.

2. Some of the information related to records and other documents pertaining to various files are also available in electronic form with concerned Directorates.

3. Old records/ documents are made available in electronic form by scanning or reproducing certified true copies of the relevant document, as and when need arises.
CHAPTER 17

PARTICULARS OF THE FACILITIES AVAILABLE TO CITIZENS FOR OBTAINING INFORMATION

1. Facility is available as mandated by RTI Act 2005. Citizens can approach CPIO/ CAPIO for information under the provisions of the RTI Act and the same shall be made available within the specified time frame. Particulars of the CPIO/ CAPIO of Air HQ are given below.

(a) Public Information Officer: Wg Cdr T Sajan

Phone No. Office 011-23010231 Extn 7160
Fax 011-23017605

Designation CPIO

Email Address Not Available

(b) Assistant Public Information Officer: Sqn Ldr RA Kumar

Phone No. Office 011-23010231 Extn 6160
Fax 011-23017605

Designation CAPIO

Email Address Not Available

(The above information is subject to change without prior notice due to service necessities)

2. These are also published on the I AF website: 'www.indianairforce.nic.in'
CHAPTER 18
OTHER USEFUL INFORMATION

18.1. Frequently Asked Questions and their Answers by Public:

Nil

18.2. Related to seeking Information

- Application form (a copy of filled application form for reference):

  No Standard Application forms are available. Applications can be made on plain papers addressed to CPIO/ CAPIO.

- Fee:

(a) Rs 10/- should be paid alongwith application, by way of DD/Banker’s Cheque(not personal cheque)/Indian Postal Order payable to ‘Air Force Public Funds Account, Air HQ(VB)’ or Cash against receipt from Accounts Section of any Air Force Station.

(b) Additional fees for providing the required information shall be charged as per Right to Information (Regulation of fee and cost) Rules, 2005 which are as follows:-

(i) Rs.2/- per page(A4/A3 size paper) created or copied

(ii) Actual charge/ cost price for larger size papers actual cost/price for models/ samples

(iv) For inspection of records: No fee for the first hour. Rs.5/- for each 15 minutes (or fractions) thereafter.

(v) Rs. 50 per Diskette/ Floppy.

(vi) In case of publications/ books, the actual cost of such publication/ book.

- How to write a precise information request. Few Tips:

  A citizen is expected to specify the details of exact information / document required by him. He should not generalize. He should also write his correspondence details alongwith telephone number if any so that he can be contacted for payment of fees and providing the information without delay.

- Right of the Citizen in case of denial of information and procedure to appeal:

  In case of denial of information or if the applicant is not satisfied with the information provided by CPIO, he/she may submit an appeal, within 30
days from the date of receipt of the reply from CPIO, to the first Appellate Authority the details of whom are provided below:-

Appendix ‘B’
(Refers to Para 2.4, Chapter 2 Of Hand Book for Air HQ)

DUTIES

VCAS BRANCH

DTE OF INT

ACAS (Int)
1. Exercises functional control over all the officers of the Dte.
2. Security clearance for visit of foreigners to units, Ests and HQs in conformity with existing rules.
3. In exercising the powers related to Security Clearance, wherever financial implications are there, Integrated Finance, that is, Defence (Fin) is required to be consulted.
4. All matters related to disciplinary aspects and routine administrative issues of the personnel of the Dte are looked after through the Directors of the Dte.

DIR OPS ROOM

Director Ops Room functions directly under ACAS (Ops) and responsible to him for the formulation and complementation of policies pertaining to the function of Ops Room.

D OPS (IEW)

PD Ops (IEW)
Responsible to ACAS(Ops) for policy formulation, planning and control of EW & IW activities of the Air force. He is to lay down policies, issue instructions and draw up plans to achieve optimum preparedness and utilisation of EW & IW resources, during peace and war. He is to periodically review policies, instructions and plans and issue necessary amendments wherever necessary. He is responsible for evaluation and operations related to tactical ESM, ECM, ECCM and SIGINT.

D IT& N

PD (IT & N)
1. Responsible for laying down policies and standards on IT and Networking in the IAF.
2. Planning IT security and encryption requirements of the IAF.
3. Preparing the IT vision document for the IAF.
4. Represent the IAF at inter-service and corporate IT forums.
5. Preparing IT and Networking budgetary Plan.
6. Prioritising IT and Networking projects.
7. Oversee SDC on CAN implementation.
8. IT training policy/ creation and positioning of IT trained cadre in consultation with ‘P’ staff.

DTE OF OPS ATS

D Op (ATS)
1. Higher level interaction with Civil Aviation Departments on all matters relating to ATC aspects.
2. Policy framing and implementation of ATS related issues in coordination with DGCA, AAI, MoCA.
3. Co-ordination with concerned PDs for follow up of ATS radars, Arrester Barriers, CFTs, MRSs, Air Field Lighting, V/UHF DF, Airfield Tape recorders and automated ATC systems.
4. Interaction with Dte of Personnel officers and Personnel Airmen with a view to optimize utilization of ATS personnel.
5. Training and development of IAF ATC officers abroad.

DTE OF SIGS (AIR)

PD Sigs (Air)

Responsible for formulation of policy and planning with efficient operation of telecommunication and electronic systems in the IAF.

D Sigs (Air/Tropo)

Responsible to PD Sigs (Air) in assisting his duties connected with the efficient operation and planning of ADGES Communication Systems, Satcom, IMMOLS, IACCS, communication & Aero star communication in the IAF.

D Sigs (Air/Tels)

Responsible to PD Sigs (Air) to assist him in his duties connected with the effective operation and planning of all L/L, DCN, INCP, Cipher, encryption and EMI/EMC aspects communication systems in the IAF. Interact with CAFSO Br/AFCC for upkeep of Air HQs Communication network.

D Sigs (Air/Com)

Responsible to PD Sigs (Air) to assist him in his duties connected with planning in respect of Radio Communication System and navigational systems for field units. In addition, procurement of EMI/EMC eqpt, Ground nav and Commn aids, regulating of Ground Commn assets in consultation with user Dtes.
**D Sigs (Air/C&C/Adm)**

Responsible to PD Sigs(Air) for operational planning and efficient administration of Cipher Organisation in the IAF. He also works as Admin & Coord Officer for smooth and efficient working of the Dte and deal with Camp Comdt for providing admin support to the PD Sigs (Air)

**DICOST**

**DICOST**

1. Analyse latest campaigns and new technological developments around the world and make recommendations for their applicability in the IAF.
2. Analyse intelligence reports related to potential adversaries and make suitable recommendations for countering the emerging threats.
3. Maintain close liaison with strategic institutes in India and abroad.
4. Make recommendations to Op Directorates for changes in operational doctrines including Op Training philosophy for the IAF.
5. Interact with similar organisations of Army, Navy and HQ IDS for coordination of Joint Ops strategies.
6. Obtain feedback from Op Directorates on efficacy and implementation of validated concepts.

**Space Applications**

1. To co-ordinate space related activities of the IAF with other services and space related agencies.
2. To study and assimilate the rapid development in space technology and disseminate the relevant information to operational users for consideration in their operational plans.
3. To study the development of space based warfare by not so friendly countries and evolve counter-measures.
4. To monitor and co-ordinate the R & D work in military space applications, undertaken by defence and civil agencies.
5. To stay abreast of latest developments in Space Technology, both in the world as well as in India.
6. To examine and promote the utilisation of space for search and rescue purposes and study feasibility of utilising existing satellites (such as Navstar, Galileo Constellations or indigenous satellites) for navigational purposes.
7. To develop space related training programme for incorporation in IAF.
8. To propose policy of utilisation of satellites for strategic communication, air defence, surveillance and reconnaissance, ELINT, search & rescue, exchange of data etc.
9. To coordinate the requirement of three services in space and prepare joint plans for optimum utilisation of available space resources.

10. To carry out a survey of the available infrastructure and potential for development of satellite systems for military applications.

11. To make enquiries and acquire equipment both within India and from sources abroad to carry out the tasks assigned to it.

12. To liaise with DOS so that DOS plans are in consonance with the services requirements.

**Air War Strategy Cell**

1. Initiate research, studies and seminars on present and futuristic operational concepts.

2. To study and assimilate rapid development in air power & air war strategies and disseminate the relevant information to operational users for consideration in their operational plans.

3. Maintain close liaison with strategic institutes in India and abroad to obtain inputs on the factors affecting air war strategy.

4. Make recommendations to Op Directorates for changes in operational doctrines for effective and efficient utilisation of air power.

5. Interact with similar organisations of other services including HQ IDS for coordination of Joint Ops strategies.

6. To develop and validate concepts in air war strategies.
DCAS BRANCH

1. Deputy Chief of Air Staff (DCAS) Branch is responsible for Perspective Planning, Financial Planning and capability building of IAF through acquisition of capital equipment & systems like aircraft (Fighters, transport and helicopters), Airborne and Ground Based Weapons, Avionics and Electronics Warfare Suites and their upgrades. The Branch is also responsible for contract management of aircraft and other systems after procurement from Indigenous as well as overseas sources besides planning & managing the expenditure of Defence Budget for IAF. The Branch is instrumental in giving a thrust to the modernization drive of the IAF in keeping with the latest advances in technology, rising aspirations of the nation and constantly changing global security scenario.

2. The Branch is functioning under following Assistant Chiefs of Air Staff (ACsAS) overseeing various areas of responsibility:

   (a) Assistant Chief of Air Staff (Plans)
   (b) Assistant Chief of Air Staff (Projects)
   (c) Assistant Chief of Air Staff (Financial Planning)

3. These Assistant Chiefs of Air Staff are functioning through various directorates, each of which is placed under supervision of a Principal Director (PD). These directorates are as under:

   (a) **Directorate of Air Staff Requirements (Dte of ASR) Under PD ASR.**
       Responsible for:-

       (i) Identification of need for a new acquisition in consultation with user Directorates and formulation of Air Staff Qualitative Requirements (ASQRS)/ Operational Requirements (Ors).

       (ii) Indigenous Acquisition in consultation with the user Directorates, R&D agencies and Industry and Acquisition from abroad in consultation with Air Attaches (AAs) / Military Attaches (MAs) / Naval Attaches (NAs) abroad to identify suitable products and sources of supply.

       (iii) Identification of equipment for upgrade and deciding upgrade architecture for the same in close liaison with DPSUs/DRDO and Defence Attaches abroad for identification of the suitable agency for undertaking the upgrade project and follow up equipment upgrade cases with MoD for formal/in-principle acceptance of the requirement.

       (iv) Overseeing that the contracts for various Acquisitions are finalized in an efficient and time-bound manner.

   (b) **Directorate of Acquisition Under PD (Acq).** Responsible for:

       (i) Monitoring the progress of all Capital Acquisitions up to the value of 150 Cr from the stage of Services Qualitative Requirements formulation to Contract conclusion.
(ii) Overseeing the Capital Acquisition cases at evaluation and negotiations stages of procurement and process the cases for approval of the Competent Authority.

(iii) Rendering advice on the Procurement policy and associated aspects to the Competent Authority.

(c) **Directorate of Integrated Air Command & Control System under PD (IACCS).** Responsible for exercising active control over project planning and execution teams and working groups through active involvement in discussions, consultations and lab demonstrations with all development activities of the net-centric warfare capabilities of IAF.

(d) **Directorate of Plans under PD (Plans).** Responsible for:-

(i) Formulating the 15 years Long Term Perspective Plan (LTPP), the Five Years Services Capital Acquisition Plan (SCAP) and the two year roll-on Annual Acquisition Plan (AAP) for the IAF and monitoring progress thereof.

(ii) Vetting of all Capital procurement schemes from the point of view of compliance with the Defence Procurement Procedure (DPP) and their integration with the long term plans.

(iii) Processing of all Capital procurement cases till the Acceptance of Necessity (AoN) stage through the SCAPCC/SCAPCHC/DAC/DPB.

(iv) Monitoring of the Capital Budget, in respect of all ‘New Schemes’ being processed.

(v) Providing specialist opinion for the co-ordination of Re-Equipment schemes, Unit Establishment (IEs), additional requirement of aircraft to sustain the UEs, action for withdrawal of aircraft form service, numbering of new units and disbandment/number plating of Air Force units in keeping with the future plans and programmes and obtaining Govt sanction for Key Location Plans of all Air Force formations/Units.

(vi) Replying all Parliamentary Questions pertaining to Capital Procurement, observations by the Standing Committees of Parliament.

(e) **Directorate of Projects under PD (Projects).** Responsible for:

(i) Post contract management of all new inductions for Air Force and upgrade of aircraft and system, besides handling all issues concerning ongoing Induction and upgrade projects.

(ii) Monitoring cash outgo of various ongoing projects on monthly basis.
(f) **Directorate of Command, Control, Communications, Computers, Intelligence, Surveillance & Reconnaissance under PD (C4ISR).**

Responsible for identification of a need for a new acquisition and formulation of Air Staff Qualitative Requirements (ASQRs) / Operational Requirements (Ors) in consultation with user Directorates, MoD, various R&D agencies and DPSUs with respect to the C4ISR assets of the IAF.

(g) **Directorate of Financial Planning under PD (Fin P).** Responsible for:-

(i) Controlling and monitoring of allotment of funds under locally/centrally controlled heads and charged Air Force expenditure.

(ii) Examining the Air Force Plan Schemes & monitoring the cash flow.

(iii) Forecasting of foreign exchange requirements, its working and utilization.

(iv) Co-ordinating and handling of Draft Audit Para / Audit Para / Performance Audit reports and Parliamentary Committee reports.

(v) Examining and reviewing costing Policies of PSUs involving Air Force & offer recommendations besides rendering financial advice on all matters referred by MOD, IDS, Army HQ, Naval HQ and other Branch / Directorates of Air HQ / Commands.
ACAS Engineering ‘A’

1. ACAS Eng ‘A’ functions directly under the AOM and is responsible to him for administrative and functional control of the Directorates concerned with maintenance of weapon system of erstwhile USSR origin, both combat and transport aircraft and support equipment. The duties and responsibilities of ACAS Eng ‘A’ will cover the following:

(a) **Maintenance Responsibilities.**

(i) He will control all aspects of maintenance i.e. servicing, repair, overhaul, reconditioning, storage, issue/disposal of equipment to ensure high percentage serviceability with optimum efficiency of all combat aircraft, transport aircraft, helicopters, their support equipment, aircraft specialist vehicles of erstwhile USSR origin and their indigenous substitutes.

(ii) He is responsible for formulation of proposals for life extension of weapon systems and equipment, their approval and execution. He will formulate plans for indigenous development of spares and support equipment for weapon systems of Russian origin and execution of these plans in a time-bound manner by concerned Directors/Project Officers.

(iii) He will ensure that contingency plans for the Dtes placed under him are kept updated in line with the contingency plans of the Maintenance Branch.

(iv) He will ensure that correct budgeting and strict budgetary control of the funds allocated to the Directorates under him.

(b) **Specialist Advisory functions.**

(i) He is responsible for rendering specialist advice to Ops Staff on optimum utilisation of abovementioned aircraft.

(ii) He will render specialist advice to Plans Branch on introduction of new weapon systems in Service belonging to erstwhile USSR origin.

(c) **Liaison Duties.**

(i) He will ensure necessary dialogue with HAL, Air India/Indian Airlines, DRDO, D Aero, DTD&P(Air) and DGCA in connection with Maintenance of concerned weapon systems.

(ii) He will ensure necessary coordination with other ACAS of Maintenance Branch to achieve objectives and will ensure necessary coordination with MoD and other Government Departments.
ACAS (Engineering ‘B’)  

1. ACAS (Eng ‘B’) functions directly under the AOM and is responsible to him for administrative and functional control of the directorates concerned with maintenance of weapon system of other than erstwhile USSR (CIS) origin, including combat and transport aircraft/helicopters and support equipment. Duties and responsibilities of ACAS (Eng ‘B’) will cover the following: -

(a) **Maintenance Responsibilities**

(i)  He will control all aspects of maintenance i.e. servicing, repair, overhaul, reconditioning, storage, issue/disposal of equipment to ensure high percentage serviceability with optimum efficiency of all combat aircraft, transport aircraft, helicopters, their support equipment, aircraft specialist vehicles of other than erstwhile USSR (CIS) origin and their indigenous substitutes.

(ii) He is responsible for formulation of proposals for life extension of weapon systems and equipment, their approval and execution. He will formulate plans for indigenous development of spares and support equipment for weapon systems of non CIS origin and execution of these plans in a time bound manner by concerned directors/project officers.

(iii) He will ensure contingency plans for the Dtes placed under him are kept updated in line with the contingency plans of the Maintenance Branch.

(iv) He will ensure that correct budgeting and strict budgetary control of the funds allocated to the directorates under him.

(b) **Specialist Advisory Functions**

(i) He is responsible for rendering specialist advice to Ops Staff on optimum utilisation of above mentioned aircraft.

(ii) He will render specialist advice to Plans Branch on introduction of new weapon systems in Service belonging to non-CIS origin.

(c) **Liaison Duties**

(i) He will ensure necessary dialogue with HAL, Air India/Indian Airlines, DRDO, D Aero, DTD&P (Air) OEM and DGCA in connection with maintenance of concerned weapon systems.
(ii) He will ensure necessary co-ordination with other ACsAS of Maintenance Branch to achieve objectives and will ensure necessary co-ordination with MOD and other Government Departments.

**AOL**

1. AOL functions directly under the AOM and is responsible to him for the following:

   (a) Monitor serviceability of the fleet and major systems.
   (b) To assess causes for sub-optimal availability of aircraft and other major equipment and communicate the same to concerned Engineering branch for remedial measures.
   (c) Provisioning of spares and other GHE/TTGE, its efficient despatch and replenishment of Cat ‘D’s.
   (d) Provide sound database to Commanders and decision makers from which to deduce how well a weapon system is performing, how cost effective it is and what actions would be necessary to make the inventory optimal.
   (e) Provide database to financial specialist on cost of inventory, cost of operations and cost of upkeep. Based on these data, overall costing of the system and its effectiveness would be assured.
   (f) To workout the phase-out plan, optimal way to rundown the inventory and avoid piling up of unwanted spares and support equipment towards the end of the life of Weapon/System.
   (g) Decide on economical quantity for provisioning, transportation, storage and distribution method.
   (h) Monitor consumption pattern and advise concerned Engineering Directorate accordingly.
   (j) To bring to the notice, life cycle performance of spares and rotables, based on which remedial measures can be initiated by the engineering branch.
   (k) Evolve strategies for lowest possible inventory holding.
   (l) Ensure faster deliveries and quicker availability.
   (m) Prevent piling up of non-moving stores and effective disposal of such stores, if any.
   (n) To formulate policies and procedures for procurements/contracts and undertake all procurements ensuring utmost economy.

**ACAS (Maintenance Plans)**

1. ACAS(MP) functions directly under the AOM and is responsible to him for formulation of long term policies in respect of all maintenance activities of aircraft
aero-engines and support equipment and formulation of policy on the mode of induction of new aircraft and ground support equipment in the Air Force. The duties and responsibilities of ACAS (MP) will cover the following:

(a) **Maintenance Responsibilities.**

(i) To evaluate the new maintenance practices developed on the basis of modern management techniques for introduction of the same in the Air Force.

(ii) Formulation of policy and procedure for monitoring and improving the reliability and maintainability of aircraft aero-engines, rotables and ground support equipment.

(iii) Formulation of policy on long term maintenance plans for third and fourth line servicing of aircraft, aero-engines, rotables and ground support equipment.

(iv) Formulate policies on preparation of publications and maintenance documents and control issue and revision of AFOs on Technical Administration, TSI Vol I Leaflets and promulgation of TSIs, SIs, STIs and modification through routine order Pt-III.

(v) Formulate policies on indigenisation for upgradation of items required to be indigenised for all type of fighter/transport aircraft, helicopters, weapons and ground radars. Identifying spares equipment and technology for indigenisation.

(vi) Responsible for Technical human resource development and their management.

(b) **Liaison Duties.**

(i) Liaise with other ACsAS of Maintenance Branch and obtain their advice in formulating maintenance plans.

(ii) Processing various study reports rendered by system evaluation teams and various other agencies and consulting teams.

(iii) To liaise laterally with Army and Navy for identifying commonality of requirement and also exchange mutually beneficial information.

(iv) Liaise with CII and other suppliers to give boost to Indigenisation activities.

(v) To liaise with Dte of Standardisation and DRDO labs and exchange information on indigenisation.

(vi) To explore the feasibility of third country substitution for technology/items which cannot be developed economically in near future.
(vii) Liaise with MOD and other Govt agencies to expedite on going cases.

(c) **Specialist Advisory Functions.**

(i) Formulating policies and advising ACAS (Trg), ACAS (PO) and ACAS (PA&C) on tech training and career planning of all technical personnel by reviewing the training pattern and syllabi for initial training and advance courses to keep pace with the advancing technology.

(ii) Advise DPP on technical organisation and establishment, strength and manning of technical personnel of all units.

(iii) Advise ACAS (Wks) on technical accommodation in respect of 1st and 2nd line servicing.

(iv) To render advise on review of re-group plan of AE officers of AOM’s Branch.

(d) **Other Responsibilities.**

(i) Lay down guide lines for establishment of TETTRAs/ TTCUs and MCFs and constantly monitor & guide them for their efficient running.

(ii) Translation of technical publications and provide interpretation facilities whenever required.

(iii) Exercise functional and administrative control over CSDO through DMP.

(iv) Printing of Air Publications (IAP/ IAPT)s)/ classified reports/Manuals.

(v) To exercise functional control over AP&FS through JD Indg.

(vi) Information on short term and long term indigenisation plan.

(vii) Assess available indigenisation infrastructure for accelerating this process at identified agencies.

(viii) Monitor production and post production quality tests and also field trials.

(ix) Identify and recommend areas in BRDs where augmentation/improvement of existing infrastructure would acquire greater benefit for indigenisation.
AOP BRANCH

ACAS (PO)

1. The ACAS (PO) is responsible for the following:
   (a) Induction of Officers.
   (b) Placement and proposals for officers of the rank of Gp Capt and Air Cmde and subsequent issue of postings.
   (c) Approving postings of officers of the rank of Wg Cdrs (COs).
   (d) Courses within India and abroad.
   (e) Promotion-Actg/Substantive of all officers upto the rank of Air Cmde.
   (f) Career Planning of officers.
   (g) Formulation of all policies pertaining to this directorate.
   (h) Deputation of officers within India and abroad.
   (j) Pre-mature and normal retirement of all officers – SOPs – Time frames.
   (k) Re-employment of officers in the IAF.
   (l) Budgetary control of funds for TD and other moves.
   (m) Custody of Dossiers of all retired and serving officers upto the rank of Air Cmde. (CR Dossiers of officers of the rank of Gp Capt and Air Cmde and all officers on the posted strength of PO Dte are held in the personal custody of ACAS(PO).
   (n) Control of publicity grant, IAF.
   (o) Functional control of AFSBs.
   (p) Proper Manning of all formations of IAF.
   (q) Conduct of promotion boards 1, 2 & 3.
   (r) Review of all ACRs of officers upto the rank of Wg Cdrs

PDPO

1. Assist ACAS (PO) in the formulation of all policies pertaining to Dte of PO.
2. Career planning of officers up to the rank of Wg Cdr.
3. Planning courses for officers of all branches up to the rank of Wg Cdr.
4. Over-see the functions of DPO-1, DPO-3 and JDPO-5
5. Preparing panels for all deputations upto the rank of Wg Cdr.
6. Approving postings of Wg Cdr’s of all branches.
7. Assist ACAS (PO) in disposal of all appeals/ROGs of officers up to the rank of Wg Cdr.
8. Peruse ACRs of all Wg Cdrs.
9. Monitor manning level in the Air Force and assist ACAS(PO) in making recommendations for manpower planning in this regard:

   (a) Inter-act with Dte of Plans for Cadre review.
   (b) Inter-act with Dte of Trg for induction in all branches.
   (c) Inter-act with Ops, Trg and Maint branches for maintaining optimum manning levels in Operational Training Units.

**Dte of Personnel Planning**

**Dir PP**

1. Director of Personnel Planning is responsible for proper functioning of the Dte and his duties are as follows:

   (a) To review Air Force cadre and manpower ceiling.
   (b) To review all establishments of Air Force units/ formations.
   (c) To plan and forecast the induction of officers.
   (d) To obtain sanction for establishments of new raisings.
   (e) To plan, forecast, create and control IAF Auxiliary and Reserve Force and to deal with all other matters connected with the same.
   (f) To deal with all matters connected with policy, planning and processing of honours and awards.

**ACAS (PA&C)**

1. ACAS (PA&C) is responsible for overall supervision and efficient functioning of:

   (a) Directorate of Personnel Airmen
   (b) Directorate of Personnel Civilians
   (c) Air Force Record Office
   (d) Central Airmen Selection Board

2. He is ex-officio member of UPSC board for selection of AF Civilian Officers.

**DPA**

1. Laying down policy and ensuring its implementation in respect of airmen and NCs (E) on the following aspect:

   (a) Recruitment
   (b) Terms and conditions of Engagement
   (c) Discharge and Release
   (d) Manning of Units
(e) Tenure of duty
(f) Postings and deputations of airmen abroad.
(g) Career progression of airmen
(h) Honorary Commissions/rank of airmen
(j) Commissioning (Branch Commissions)
(k) Revision of Trade Structure
(l) Re-employment of retired/superannuated airmen
(m) Service and family pension
(n) Planning augmentation of manpower and its allocation during hostilities/immense of hostilities in liaison with various Command Headquarters.
(o) Dealing with court cases filed by Airmen/NCs(E) where Govt/Air HQs is one of the respondents. (Pertaining to recruitment, discharges, promotions, pension only)
(p) Calculation and release of vacancies for recruitment of NCs(E).
(q) To monitor the functioning of:
   (i) Air Force Record Office
   (ii) Central Airmen Selection Board and all Airmen Selection Centres.

PDPC
1. Principal Director Personnel Civilian is head of PC Directorate and is responsible for:

   (a) General policy on civilian administration in the Air Force.

   (b) Implementation of the Government policy in regard to recruitment, grant of quasi-permanency, confirmation, promotion, postings, retrenchment, maintenance of service records, rendition and maintenance of confidential reports extension of service, retirements, pension/gratuity, GP Fund, medical attendance etc.

   (c) All matters relating to joint consultative machinery, trade unions, labour laws and other allied matters.

   (d) Providing answers to Parliament Questions pertaining to Air Force and AFHQ civilians posted on the strength of Air Headquarters.

2. Acts as the delegate PRESCRIBED AUTHORITY FOR THE purpose of Rule 18 of CCS (Conduct) Rules 1964 in respect of Class III and IV civilians employed in Air HQ and units directly under Air HQ.

3. Acts as the delegate Competent Disciplinary Authority/appointing authority in respect of Class III unit civilians serving at Air HQ. He also looks after all compassionate appointments.
4. Acts as the delegate authority for sanctions of various types of payments under Travel Regulations in respect of all categories of civilians personnel serving in Air HQ and units directly under Air HQ.

5. Acts as the delegate authority for regularization of time barred claims of civilians personnel serving in Air HQ.

6. Monitors progress of all court cases filed all over India in various courts by Air Force Civilians and monitors progress of implementation of court judgments.

7. Is the Chairman of various Class III DPCs constituted in Air HQ to consider confirmation, promotion, removal from probation and review at the age of 55 years in respect of unit civilian personnel.

8. Represent Air HQ on various DPCs of AFHQ Cadre Staff.

**ACAS (Training)**

1. Advise AOP on ab-initio training matters & in-service courses at TIs and TEs under Training Command.

2. Formulation of all training policy and introduction of changes in training patterns commensurate with operational needs.

3. Review of KLP of training units.

4. Member of Joint Training Committee.

5. Member of Ministry of Defence psychological Research Panel.

6. Liaise with Army and Navy on training matters of mutual interest.

7. Advise the AOP in regard to training courses abroad and civil institutions in India.
